In accordance with the applicable regulation, the Shareholders’ Meeting documentation (also with regards to that established by Article 125-quarter of Legislative Decree 58/98), including the Illustrative Report as per Article 125-ter of Legislative Decree 58/98, is made available to the public according to the deadlines established by the applicable regulation, at the registered office and on the company website at www.giglio.org, in the “Corporate Governance” section, in addition to the authorised storage mechanism at www.1info.it.

Taking account of the translisting to the MTA, STAR just ended and the need to appoint a new Board of Directors and a new Board of Statutory Auditors, the Board of Directors held on March 29, 2018, to approve the draft statutory financial statements as at December 31, 2017 and the consolidated financial statements as at December 31, 2017 called the ordinary shareholders' meeting for the approval of 2017 Annual Accounts on May 11, 2018, beyond the 120 day deadline from year-end, considering more efficient to apply the longer deadline to permit the calling of a single Shareholders’ Meeting to approve the financial statements and to appoint the new Directors and the new Statutory Auditors.

It is therefore announced that the ordinary shareholders' meeting for the approval of 2017 Annual Accounts will be held on May 11, 2018 instead of April 29, 2018 and the Board of Directors called to approve the Interim Financial Report at March 31, 2018 will be held on May 14 instead of May 11, 2018.
