Information on Giglio Group

Founded by Alessandro Giglio in 2003 and listed on MTA- STAR market, Giglio Group is an e-commerce 4.0 company addressing mainly millennial consumers. The group is a leader in the field of radio and television broadcasting, it has developed cutting-edge digital solutions and represents, in online fashion, a digital market place at a global level, catering to thirty major digital retailers in the world. Giglio Group also produces multimedia content that is transmitted, through agreements with operators and in a large part through a proprietary infrastructure via fiber and satellite transmission formed by the division M-Three Satcom, in 92 nations, 5 continents and in six languages through its own television channels visible on all TV devices, digital, web and mobile. In 2016, the group launched its own e-commerce 4.0 model, which is currently operating in China and the USA: the users "see and buy" by clicking on their smartphone/tablet or taking a photograph of the product they are watching on television, for a revolutionary shopping experience. Giglio Group is headquartered in Milan, Rome, New York (Giglio USA) and Shanghai (Giglio Shanghai).
