Financial Statement

The Ordinary Shareholders' Meeting took note of the consolidated results obtained by the Group and approved the Financial Statement at 31 December 2018.

More specifically, the Consolidated Financial Statement at 31 December 2018 has been submitted, taking into account the agreement for the transfer of the media area activities to the company Vertice 360, concluded on 11 March 2019, before the approval of 2018 Financial Statement. With regards to this transfer transaction, it is specified that accounting standards require to record any capital loss in 2018 and any capital gain in the following year. Consequently, 2018 Financial Statement, which recorded a negative net profit equal to € 8.3 million, includes a

negative extraordinary charge related to the divestment of € 7.3 million, while fiscal year 2019, once the transfer shall be effective, will record a capital gain of € 2.8 million.

The Meeting resolved to write off the loss by using available reserves, which, net of results carried forward from the previous financial year, amount to € 8,318,303.00.

Redetermination of the annual gross compensation of the Board of Directors

The Ordinary Shareholders' Meeting resolved to redetermine the annual gross compensation of the Board of Directors, increasing it from € 315,000 to € 335,000 due to the intense activity carried out by the Board of Directors throughout the last financial year and more specifically by the Internal Control, Risk and Related-Parties Committee. Due to the new strategic lines included in the Industrial Plan 2019-2021, it is considered that the Board's activities shall be intense also in the future, also due to the transfer of the media area.

Amendments to the Stock Option Plan 2018-2021

Due to the adoption of the new Industrial Plan 2019-2021, approved by the Company's Board of Directors on 15 March 2019, which provides for the Group's full focus on the e-commerce and the simultaneous divestment of the media area, amendments to the Stock Option Plan were made necessary.

The Ordinary Shareholders' Meeting thus resolved to approve the amendments to the Stock Option plan called "Stock Option Plan 2018-2021".

The Stock Option Plan 2018–2021 is available on the Website www.giglio.org, in the "Corporate Governance/Shareholders' Meeting" section.

Amendments to the By-laws

The Extraordinary Shareholders' Meeting resolved to amend some articles of the Company's By-laws. More specifically, the Company object has been reformulated for the purpose of representing in a clearer and more linear way the activities focused on the e-commerce, also following the transfer transaction of the media area and the approval of the new industrial plan 2019-2021. At the same time, the new formulation of the Company object streamlines the description of the activities included in the media area, without prejudice to the scope of the activities of such area that the Company may still carry out.

Conversely, the other proposed amendments are aimed at improving the coordination of some provisions of the By-laws in order to limit any overlays. These amendments do not change the substance of the provisions.

The Extraordinary Shareholders' Meeting resolved to approve the amendments to the By-laws, and the new text is available on the Website www.giglio.org in the "Corporate Governance/Governance System and Rules" section.

For more information on the aforementioned Meeting's resolutions, please see the Explanatory Reports submitted by the Board of Directors and the Minutes of the Meeting, which shall be filed in the period required by the law with the registered office and published on the Company's Website in the "Corporate Governance, Shareholders' Meeting, Shareholders' Meeting 30 April 2019" section.
