d) Any non-compliance with the covenants, negative pledges and any other debt clause of Giglio Group S.p.A. and of the Group, involving limits on the use of financial resources, with an updated date indication of the degree of compliance with these clauses

The net financial debt includes the financial debt relating to the EBB S.r.l. bond, issued on 2 April 2019 for an amount of € 5 million in principal. As of 30 November 2023, the outstanding debt is equal to € 3,005,000, of which € 741,000 as the current portion and € 2,264,000 as the non-current portion, net of the regular payment of the instalments.

The regulation governing the terms and conditions of said Bond includes also some commitments and limitations borne by the Company, including the financial covenants, which, should they occur, they would entail the loss of the benefit of the term, along with the obligation for the Company to fully reimburse in advance the Bond (the so-called events of major importance).

On 28 June 2023, SACE, as guarantor of the bond loan, gave consent to the bond holder EBB S.r.l. upon grant of the waiver under the following terms and conditions:

- Consent relating to non-compliance with the financial parameters "leverage ratio" and "gearing ratio" (covenant holiday) is granted in relation to all the verification dates until full repayment of the bond loan. However, the commitments referred to in clause 11.2 (disclosure commitments) of the regulation of the bond loan by Giglio Group S.p.a. remain in force;
- Therefore, the surety commitment of the holding company Meridiana referred to in Art. 10 ("Regulation of the Loan, Financial Parameters and Further Commitment of the Guarantor") is to be considered no longer in force. In any case, it is understood between the parties that all other obligations and duties assumed by Meridiana Holding Srl pursuant to the guarantee and indemnity agreement dated 10 March 2020 shall remain in force and fully exercisable.
- In view of the above, it should be noted that with reference to the guarantee and indemnity agreement dated 10 March 2020, the guaranteed amount referred to in premise D is thus understood to be confirmed at € 1,500,000 together with the commitment to grant a pledge on the shares of Giglio Group S.p.a. for a total of € 4,152,000 in favour of SACE. The parties agree as of now that the pledge does not imply the possibility of exercising voting rights.
- The effectiveness of the consent expressed is suspended until the date of receipt of the acceptance of the letter of consent countersigned by Giglio Group S.p.a., sent on 29 June 2023.

e) The state of implementation of any industrial and financial plans, highlighting any deviation of actual figures if compared to the foreseen ones

As of 30 November 2023, revenues show a postponement, mainly generated by the delayed start of a new significant contract signed in May 2023.

Moreover, new contracts are currently being negotiated with leading brands for the sale of products specifically created through the subsidiary Salotto di Brera and the sale of clothing items from previous collections through a commercial operator.
