d) Any non-compliance with the covenants, negative pledges and any other debt clause of Giglio Group S.p.A. and of the Group, involving limits on the use of financial resources, with an updated date indication of the degree of compliance with these clauses

The debt instrument (J) relates to the EBB S.r.l bond, issued on 2 April 2019 for an amount of € 5 million in principal, the terms and conditions of which are contained in the regulation. As of 31 December 2024, the outstanding debt is equal to € 2,633,000, of which € 1,514,000 as the current portion and € 1,119,000 as the non-current portion. As of 31 December 2024, the payment of the October 2024 instalment of € 446,000 is overdue (for less than 60 days).

The regulation governing the terms and conditions of said Bond includes also some commitments and limitations borne by the Company, including the financial covenants, which, should they occur, they would entail the loss of the benefit of the term, along with the obligation for the Company to fully reimburse in advance the Bond (the so-called events of major importance).

On 28 June 2023, SACE, as guarantor of the bond loan, gave consent to the bond holder EBB S.r.l. upon grant of the waiver under the following terms and conditions:

- Consent relating to non-compliance with the financial parameters "leverage ratio" and "gearing ratio" (covenant holiday) is granted in relation to all the verification dates until full repayment of the bond loan. However, the commitments referred to in clause 11.2 (disclosure commitments) of the regulation of the bond loan by Giglio Group S.p.a. remain in force;
- Therefore, the surety commitment of the holding company Meridiana referred to in Art. 10 ("Regulation of the Loan, Financial Parameters and Further Commitment of the Guarantor") is to be considered no longer in force. In any case, it is understood between the parties that all other obligations and duties assumed by Meridiana Holding Srl pursuant to the guarantee and indemnity agreement dated 10 March 2020 shall remain in force and fully exercisable.
- In view of the above, it should be noted that with reference to the guarantee and indemnity agreement dated 10 March 2020, the guaranteed amount referred to in premise D is thus understood to be confirmed at € 1,500,000 together with the commitment to grant a pledge on the shares of Giglio Group S.p.a. for a total of € 4,152,000 in favour of SACE. The parties agree as of now that the pledge does not imply the possibility of exercising voting rights.
- The effectiveness of the consent was finalized on 29 June 2023.

e) The state of implementation of any industrial and financial plans, highlighting any deviation of actual figures if compared to the foreseen ones

On 4 June 2024, the Company approved a new industrial plan for the years 2024-2028 drawn up with the help of a leading consultancy firm.

f) Evolution of the corporate situation

- On 26 September 2024, the company approved the signing of a term sheet ("Term Sheet"), which concerns, inter alia, the general principles of a possible integration operation between GG and Urban Vision S.p.A. ("UV"), a company operating in the communications sector, leader in Out of Home ("Transaction") operations. Based on the agreements reached in the Term-sheet, the Transaction will be carried out, inter alia, through an increase in the share capital of Giglio Group to be carried out by means of issue of new ordinary shares (having the same characteristics as the ordinary shares already issued by Giglio Group and regular dividend) with the exclusion of the option right pursuant to and for the purposes of Art. 2441, par. 4, first comma of the Italian Civil Code, to be subscribed and paid for by UV, through the transfer of the entire UV company to Giglio Group (with consequent acquisition, by UV itself, of a majority shareholding in GG). The number of GG shares that will be issued to UV, as part of the capital increase (in exchange for the transfer of UV's business), as well as the related calculation parameters, will be negotiated in good faith between Giglio Group and UV and formalized upon signing of the Investment Agreement, on the basis of values determined by applying commonly

accepted assessment methodologies. The completion of the Transaction will be subject to the occurrence of certain conditions precedent, including that: (i) GG and UV have successfully completed, with a mutually satisfactory outcome, the legal, tax, business and economic-financial due diligence activity, already underway, in relation to the UV company and GG respectively; (ii) an investment agreement governing the Transaction has been signed which will reflect, inter alia, the terms and conditions of the Term Sheet; (iii) the competent corporate bodies of GG and UV, as well as the competent Supervisory Authorities, have approved the Transaction in accordance with the applicable market regulations; (iv) the admission to listing of the new shares issued by GG as part of the capital increase (and in exchange for the contribution of the UV company) has been completed in accordance with the applicable regulatory and market regulations; (v) following the Transaction, UV will not be obliged to submit a public purchase offer pursuant to Articles 106 et seq. of Legislative Decree no. 58 of 24 February 1998 (the "CFA"). Furthermore, given that Meridiana S.p.A., controlling shareholder of GG, is also part of the Term Sheet, the precautionary measures provided for by the regulations on Transactions with Related Parties have been activated.

- On 18 December 2024, Giglio Group S.p.A. and Urban Vision S.p.A. mutually agreed that the conditions for the continuation of the operation to increase the share capital of Giglio Group S.p.A. do not exist.

Also on 18 December 2024, Giglio Group S.p.A. interrupted negotiations with Urban Vision S.p.A., confirming, in this context, its intention to proceed in 2025 H1 with a capital increase aimed at strengthening the economic-financial situation and the business prospects of the Company. At the same time, the Board also acknowledged receipt of a letter received today from Avon Srl and Sky Srl (the "Shareholders"), both with registered offices in San Marino, holders of 100% of the share capital of Publinova S.p.A. ("Publinova"), also based in San Marino, operating in the digital marketing and lead generation sector, in which they express their willingness to participate in the capital increase through the contribution in kind of 100% of the capital in the aforementioned company, subject to evaluation by an independent expert with adequate and proven professionalism. The Shareholders also represented that Publinova has an advanced stage of implementation of an integration agreement with another company of significantly larger size and that therefore the contribution in kind, in compliance with the aforementioned capital increase, will concern the entire business complex resulting from the integration and that it expects to be able to provide all the details on the business complex to be contributed and on the proposed transaction by 10 February 2025, at the conclusion of the ongoing integration process.
